

Xda[®] Zest

Xda Zest is O2's ideal introductory device to the PDA experience, providing a simple transition from button driven to touchscreen. Uncomplicated and intuitive, this smart phone supports Microsoft[®] Windows Mobile[®] 6.1 technology and offers premium features in an easy-to-use touch-screen format. Plus, it is exclusive to O2 and available on both pre-pay and post-pay contract.

Designed for...

Business customers who want a cost-effective and uncomplicated device with touch-screen functionalities. Allowing you real time access to email¹, IT protection and full internet browsing, the Xda Zest provides a 'finger friendly' device for those more familiar with button-driven features.
